Grasp Wall Wired

Designed by Thomas Albertsen

Grasp Wall Wired is a slim and graphic wall-mounted luminaire rooted in Scandinavian design tradition. With its compact proportions and visible cord, it combines functional honesty with a refined expression. Equipped with a GX53 light source, it delivers efficient, even illumination while integrating light as an essential part of the spatial experience.

About the Designer

Graduating from the prestigious Danish Design Academy in 2007, Thomas Albertsen's creative genius has spanned a wide spectrum, from crafting imaginative children's furniture to illuminating interiors with his distinctive lighting designs.

Albertsen's hallmark is his unwavering commitment to infusing simplicity with an unforgettable yet playful character. The result is a portfolio of designs that not only captivates but also redefines the pure essence of living - a combination which is sure to widen the popularity of this home grown talent in the years to come. In 2024, Albertsen's Grasp design won the Danish Design Favourite of the Year and Lamp of the Year.
